

ICTS Group – Trailer Maintenance Technician

Job description:

ICTS is looking for a trailer maintenance technician for its satellite workshop in Mechelen. You will join a young and growing team where cooperation and quality are key. As a maintenance technician, you are responsible for the maintenance and repair of trailers and semi-trailers. Thanks to a thorough on-the-job training, you will learn all aspects of the job and grow into an indispensable member of the team.

Your tasks:

- Maintenance and repair of trailers and semi-trailers.
- Working on braking systems, air suspension, lighting, chassis and bodywork.
- Carrying out damage repairs.
- Working in a dynamic environment with a strong focus on customer satisfaction.

Your profile:

- Interest in technology or relevant technical knowledge.
- Experience is an asset, but not a requirement.
- You enjoy working in a dynamic environment.
- You are flexible, independent and hands-on.
- Willing to work in fixed or rotating shifts:

06:00 - 14:00

10:00 - 18:00

Our offer:

- Attractive salary, depending on experience and motivation.
- Benefits such as meal vouchers, eco vouchers and hospitalisation insurance.
- Full internal on-the-job training and continuous further training.
- Extras such as year-end gifts, year-end dinner and summer activities.
- A pleasant and dynamic working environment with plenty of variety.
